Police Court.

There was considerable going on in Police Court yesterday and in consequence the audience was proportionately large.

The first member on the program of the afternoon matinee was that of Harry Barnes and his rambunctious spouse, arraigned on a charge of disturbing the peace and quietude of Grave Alley, both of whom proclaimed their innocence and protested vigorously against the iniquitous allegation. The preponderance of testimony, however, was otherwise, and the Judge handed out a ticket to each labeled \$20 and costs—\$51 in all.

John Welch, Thomas Preston and Pervis B. Carpenter, the latter a recent discharged soldier, and the two former not such bad looking fellows; all three, however, hoboes, were on the carpet for loitering and on promise that they would depart from the city as soon as they could get passage on a Westbound freight, a \$20 fine and costs was suspended.

CALL FOR REPUBLICAN CONVENTION.

Pursuant to the directions of the party authorities, the Republicans of Mason county are called to meet in mass convention at the Courthouse in Maysville on Saturday afternoon, July 15th, at 1:30 o'clock, standard time, for the purpose of selecting delegates to the State Convention to be held in Louisville, July 19th, which State Convention is to nominate a Republican state ticket to be voted for at the coming November election. Mason county is entitled to 30 votes in the State Convention.

W. D. COCHRAN,
Chairman Republican Executive Committee Mason County.

AS THE days go by the Kentucky Court of Appeals grows in dignity and judicial ability. The glory of a free country lieth in the integrity and the impartiality of its Courts.

THE cases where municipal ownership has proved successful after a trial of years seem to be few when compared with the constantly recurring instances where it has turned out a decided failure.

AN Ohio office holder has resigned because he received a salary at the rate of 10 cents a day. The wonder is not that his salary was so small, but that he resigned. GRANT said few die and none resign.

KENTUCKY leads all other Southern states in number of manufacturers and amount invested in manufacturing enterprise to the amount of almost \$148,000,000. She has 3,734 of such enterprises.

HERE'S how high license knocks out the saloons: Lawrenceburg, which recently voted wet, has raised the saloon license from \$500 to \$1,000 a year. As a result it is thought that four out of the eight saloons will quit business after July 1st, when their present licenses expire.

SENATOR PLATT may be a senile paralytic, but he appears to hang on to his office with the persistency of a healthy Ohio man.

THE Esplanade is still in Market street and the fountain is squirting to beat the band. A little water ain't going to hurt Market street, anyway.

IT is stated that Cincinnati's lager beer summer resorts have lost so much money already that there are no profits in sight during the remainder of the season.

THE actresses seem to have an eye for the main chance. EDNA MAY has followed MABELLE GILMAN and married multi-millionaire, OSCAR LEWISOHN. Working one man is easier than working for the public.

LEXINGTON has a crematory for consuming garbage and city refuse of all kinds. During the month of May the total refuse cremated amounted to 283,375 pounds; besides dead animals as follows: 21 horses, 6 cows, 11 cats and other animals, and 125 dogs. It appears that Lexington police have been going some on the dog question.

IT WAS ALL RIGHT.

San Francisco Chronicle.

They had evidently been quarreling before entering the Sutter street car at the ferry.

"I would thank you, Mr. Johnson, not to sit by me!" she said icily.

"Oh, Lucy, I'll never go with her again—never, never, dearie!"

Gradually the harsh tones melted to soft, endearing phrases. The car had become very crowded. It stopped at Van Ness.

The conductor, wedging among passengers midway of the aisle, could not see the rear steps. With his hand on the bell cord, he suddenly yelled:

"How is it back there now?"

"It's all right. We've made up again," impulsively responded the young man.

"Oh, Willard, he didn't mean us!"

WILLSON MAKES FORMAL ANNOUNCEMENT OF HIS CANDIDACY FOR GOVERNOR.

Friday's Louisville Herald.

Augustus E. Willson last night at a meeting of Twelfth Ward Republicans in Pfister's Hall amid great enthusiasm, made the following formal announcement of his candidacy for the nomination for Governor of Kentucky:

"I am earnestly grateful for the good will and in many cases the affection shown to me by our people here in Louisville, and in many counties through the state, as Republican nominee for Governor, and I shall feel strong confi-

dence of election if nominated, and above all I should prize as beyond all price and sacrifice the honor of being chosen and trusted by the choice of the people to work for the good of my native state as Governor of Kentucky, and if I should be chosen as Republican candidate I should do all in my power to change the condition of Kentucky by the conduct of the Republican administration, in the hope that it would be a blessing to the state and revive its

old-time glory and old-fashioned honest pride in Kentucky and in Kentuckians, and would seek to make the Republican party in Kentucky a better party with new ideals, new hopes, in step with the best thought and best work of this age of progress.

"I should also hope that Republican success in Kentucky would free Kentucky Democracy from the thrall of organized greed and graft, prejudice and practices of proscription and hate and inspire the Democratic hosts with new and kindly preaching and practice, patriotism and public spirit, to the end that in the future we may reach the ideal condition in which all may hope that all future party rivalry in Kentucky shall be contests between parties equally honest, earnest and hard-working, to see which can do most to honor and bless the state, and better the conditions, the comforts, the happiness of all of its people, and to clear away the feuds, jealousies and unfriendly rivalries between and within all parties, places and sections, and to make Kentucky one of the foremost instead of one of the most backward states of our country in all that makes for noble thought and feeling and splendid achievement.

"I believe that I can secure substantially a fair election in Jefferson county, and there are a number of grounds upon which I can reasonably expect to have the support of many thousands now in the Democratic ranks, some of whom were formerly Republicans, and some who have never voted for Republicans before, and that these votes will be sufficient to win a victory for good government, and this makes me feel it a duty to undertake the campaign if the Republican party nominates me, and to hope that the nomination will be made.

"At the same time I wish it understood that I do not make any claim on the Republican party, and I do not admit any claims on me which in any way could hinder or embarrass me in performing my duty under the law impartially, fairly and justly to all in all matters connected with the office.

HOUSEHOLD CARES

Tax the Women of Maysville the Same as Elsewhere.

Hard to attend to household duties With a constantly aching back, A woman should not have a bad back, And she wouldn't if the kidneys were well. Doan's Kidney Pills make well kidneys Here is a Maysville woman who endorses this claim:

Mrs. Lizzie Bridges, of 206 West Third street, Maysville, Ky., says: In March, 1900, I gave a testimonial recommending Doan's Kidney Pills and in it I told how I learned the great value of this remedy. I had been troubled with a bad back and weak kidneys from girlhood and in my efforts to find a cure tried every medicine I could find but without benefit until I began using Doan's Kidney Pills. They proved just the remedy I needed. They went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition and guard against attacks of my old trouble."
